

5th April 2017

Dear Parent/Carer,

As Easter approaches, our key stage 4 and 5 students will be only a few academic weeks from sitting their first external examinations. The Academy has always endeavoured to maximise the opportunities for students to immerse themselves in the content of courses, to practise exam techniques and to spend additional time on coursework submissions through the coordinated personalised programme of enrichment sessions. These have taken place from 2.50- 3.50pm during this half term and the students' responses to this extra provision has been exceptional in many cases.

The Academy would like to maintain the momentum generated through these sessions during Easter and are therefore offering additional provision where possible for students in some subjects over the next two weeks. Although we understand that some previously arranged commitments may prevent students from attending the timetabled sessions, attendance where possible is strongly recommended in order for students to fulfil their potential within the subject areas. Please complete the slip below and return to your child's subject teacher or email me directly p.martin@ripon.outwood.com.

The intervention timetable for Easter is below and we strongly advise that your child maximises the opportunity that their subject teachers continue to provide.

Subject	Day	Time	Group
Health and Social Care	Monday 10 th April	10am - 12:30pm	Year 10
Health and Social Care	Monday 10 th April	12:30pm - 3pm	Year 10
